Rep. Cook, Michelle
Juvenile Justice and Guns

Dear Public Hearing Judiciary Committee,

I am a lifelong CT resident. I am growing increasingly concerned about the growing number of laws claiming to be for "Stopping Gun Violence". I know the stats on violence in this state and many others. The laws and regulations proposed are nothing more than virtue signaling. If the goal is to stop gun violence, why are we looking at the proposed ban on "others"? Shouldn't our focus be more on the illegal possession and use of handguns by Criminals? Wouldn't we be better off prosecuting those who continually violate existing laws? CT has some of the strictest gun laws in our beautiful country. When will enough be enough? I can understand not wanting just anyone to be able to order an 80% lower and the rest of the parts online and have them shipped to their door. I myself feel very uneasy about that. What I can not get behind is for any part of our Government telling people, who have gone through background checks and fingerprinting, they can not own a certain firearm because it simply looks scarier than another of the same caliber. From my perspective it seems as though the laws being proposed would make it more difficult for the average gun owner and not for the criminal.

Vote NO to any more gun control. Vote NO on Bill number 16

Vote NO on H.B. No. 5416- AN ACT CONCERNING BULK PURCHASE OF PISTOLS AND REVOLVERS

I support S.B. No.388 – AN ACT CONCERNING THE TRANSFER OF ASSAULT WEAPONS AND LARGE CAPACITY MAGAZINES

I support H.B. 5415 – AN ACT CONCERNING THE DUTY TO RETREAT IN A RELIGIOUS HOUSE OF WORSHIP
Thank you for your time.

Best Regards,
Jeremy Collin
